Assembly

Stuff hands/arms and pin to either side of body near neck opening with fingers on the top, sew each on along the top stitches of the last round of arms. Stuff feet/legs (bending the legs at the knee while stuffing) and pin to body on either side of front under belly area on the bottom of body, pointing toes upward, sew each on. Stuff body firmly (making sure neck area is firm enough to keep head up), pin on head, centering face with body, sew on, keeping enough neck width around base of head (and adding small amounts of stuffing as you go, if necessary) so head doesn't flop over.
