

Little' Uns

Gargoyle

When crocheted with yarns and hooks specified, gargoyle measures 18 inches L and 12 inches around belly, with a sitting height of 10 inches.

This pattern is crocheted in the amigurumi style of continuous rounds beginning from a double yarn loop. Marking the last stitch of increase and decrease rounds with a small length of yarn or a safety pin will help you to keep track.

Assembly

Stuff hands/arms and pin to either side of body near neck opening, slightly towards the front with fingers on the top, sew each on along the top stitches of the last round of arms. Pin wings about $\frac{3}{4}$ inch behind arms with tips pointing upwards, sew on along each side of the sc row. Stuff remainder of legs (bending at the knee while stuffing) and pin to body on either side of front under belly area on the bottom of body, pointing toes upward, sew each on. Stuff body firmly (making sure neck area is firm enough to keep head up), pin on head, centering face with body, sew on, keeping enough neck width around base of head (and adding small amounts of stuffing as you go, if necessary) so head doesn't flop over.
